The screenshot shows the loanonline website interface. At the top, there is a navigation menu with links for Consumer Loans, Online Loans, Lenders, Blog, Contact, and a highlighted 'Filipino' tab. The main content area features the loanonline logo on the left and a large graphic on the right. The graphic displays a calculator interface with a '4.500' amount, a 'Try it yourself' prompt, and a '3 Month' term. Below the calculator is a red button labeled 'Get loan proposal'. To the left of the calculator, there is a list of three benefits: 'Get quick feedback', 'Loan limit up to ₱25,000', and 'Compare loans absolutely free'. At the bottom of the screenshot, there is a pink banner with the text 'Find and compare before choosing a loan' and a subtext: 'Loanonline helps you find and compare suitable loans from reputable, licensed partners; investment, financial planning and many other optimal solutions.'

Loanonline.ph is not a loan provider and does not issue loans from its

own account. Loanonline.ph 's service helps to evaluate verified/trusted lenders in real time with diversified financial products, flexible repayment from 91 to 180 days with minimum APR interest rate of 0% and up to 427%. For example, you apply for PHP 20,000 and choose repayment over 6 months, your monthly payment will be only PHP 5,000 per month, your total cost of the loan will be PHP 2,383 per month (APR = 143%). Loanonline.ph will not charge for using our service. The exact cost of each loan depends on the individual application. You will always receive complete accurate information about the APR and all fees before signing a loan agreement.
